**Subject: Need to Improve Waste Management in Residential Areas.**

Sir/Madam,

Through the columns of your esteemed newspaper, I would like to draw the attention of the concerned authorities and the general public towards the worsening **waste management system in residential areas** of Bangalore.

Despite multiple awareness campaigns, garbage continues to be dumped openly on streets and footpaths. The irregular collection of waste, lack of segregation, and overflowing bins are posing serious health and environmental hazards, especially during the monsoon season. This negligence not only pollutes our surroundings but also encourages the spread of diseases.

I request the civic authorities to take strict measures to ensure regular garbage collection, provide proper bins for segregation, and penalize those who litter. Public cooperation is equally essential to maintain cleanliness in the city.

I hope this letter will help in raising awareness and prompt the authorities to take necessary action.

Thank you.

Yours sincerely / sincerely

Subject: Complaint regarding defective mobile phone (Model: ZX Prime 5G).

Sir/Madam,

I am writing to bring to your attention a problem with a mobile phone I purchased from your showroom on 10 July 2025. The model is **ZX Prime 5G** and the invoice number is **TW/2154/2025**. To my disappointment, the phone started malfunctioning within five days of purchase. The following issues have been observed:

1. The screen freezes frequently during use.
2. The battery drains unusually fast, even in standby mode.
3. The device heats up excessively while charging or using apps.
4. The fingerprint sensor is completely unresponsive.

Despite following all usage instructions, the performance has been very poor. I contacted your customer care helpline on 15 July, but no technician has visited so far.

I request you to look into the matter urgently and either **replace the handset** or **repair it at the earliest**, as the product is still under warranty. I am attaching a copy of the invoice for your reference.

I hope to receive a prompt and satisfactory response.

Thanking you

Yours truly / sincerely
